

BRIZO[®]

2024 FULL-LINE CATALOG

The BRIZO® BRAND IS A LINE OF LUXURY FITTINGS FOR THOSE WHO UNDERSTAND FASHION IS A LIFESTYLE. WE CREATE ARTFULLY CRAFTED PRODUCTS THAT DON'T JUST COMPLETE ROOMS - THEY INSPIRE SPACES.

Living FASHION

We believe *fashion* is more than what you wear. It's the way you move through *the world*.

It's the culture you experience, the places you travel, the food you eat—and yes, the way you design your home.

This philosophy of living fashion shapes everything we do. It's why every Brizo® collection tells a story, why every material is selected with integrity, why every last detail is meticulously crafted.

Because when you make a statement with every choice, you're not just wearing fashion. *You're living it.*

We take our name from the ancient Greek water goddess *Brizo*. A protector and enchantress, she appeared to mariners in their dreams, casting visions of their futures.

Now we've reimagined that story for today. The Modern Goddess is a muse, an emblem, a spirit—who inspires each of us to dream a life of beauty on our own terms.

DESIGNS THAT ALLURE.

Details that captivate.
Luxury that endures.

This singular vision guides us. To not only make, but to *craft*. To obsess over every nuance, from a carefully chosen texture to a perfectly weighted handle. To be committed to fashion, not fads. And to respect the past, while not beholden to it. All to create luxury that is current, yet ageless. Familiar, *yet surprising*. Modern, *yet timeless*.

A modern bathroom interior with a high ceiling featuring exposed wooden beams. A large, dark-framed window looks out onto a lush green landscape. In the foreground, a large indoor plant with thin branches and green leaves stands in a bed of white pebbles. To the left, a portion of a large, dark, freestanding bathtub is visible. To the right, a vanity with two white sinks and wooden cabinets is shown, with a towel hanging on a rack. The floor is covered with light-colored tiles and a large, textured, light-brown rug. The word "BATH" is overlaid in large, white, sans-serif capital letters across the center of the image.

SOTRIA® BATH COLLECTION

Inspired by the optimism of mid-century America, the Sotria® Bath Collection by Brizo® takes the spirit of the 1950s and reimagines it for the modern world. Influenced by the aesthetic of airplane wings and automobile tail fins, it's striking silhouette begins with an elegant round base that gives way to sleek lines and a triangular spout. ROOK[®]

BATH COLLECTION

A move ahead.

ROOK® BATH COLLECTION

Combining a contemporary, masculine edge with a nod to early-1900s traditionalism, the Rook® Bath Collection by Brizo® is an arresting, modern interpretation of a stately aesthetic. Its octagonal base evokes the weighted refinement of a chess piece, combined with the debonair precision of a watch's gear. This is traditional, transformed.
